## **Schedule changes on Indian Canyon**

**Due to inclement weather the scheduled full freeway closures have been cancelled. There will be intermittent lane closures and ramp closures for the installation of the mesh railing over the freeway, striping, and finish work. There will be daytime closures of some lanes on I-10 and the EB ramp from Garnet on Wednesday or Thursday to complete paving. There will also be some lane closures next week pending the installation of the fence railing**

Riverside County Transportation Department is providing contract administration for this project. Visit [i10cvcprojects.org](http://i10cvcprojects.org) for information on this project.

The I-10 Coachella Valley Corridor projects are overseen by the Coachella Valley Corridor Projects Task Force, a coalition that includes the County of Riverside, Caltrans, the Coachella Valley Association of Governments and the desert cities.
